

Enable CVS Label Decoration – Eclipse

1. Open Eclipse
2. Under **Window** menu, select **Preferences...**

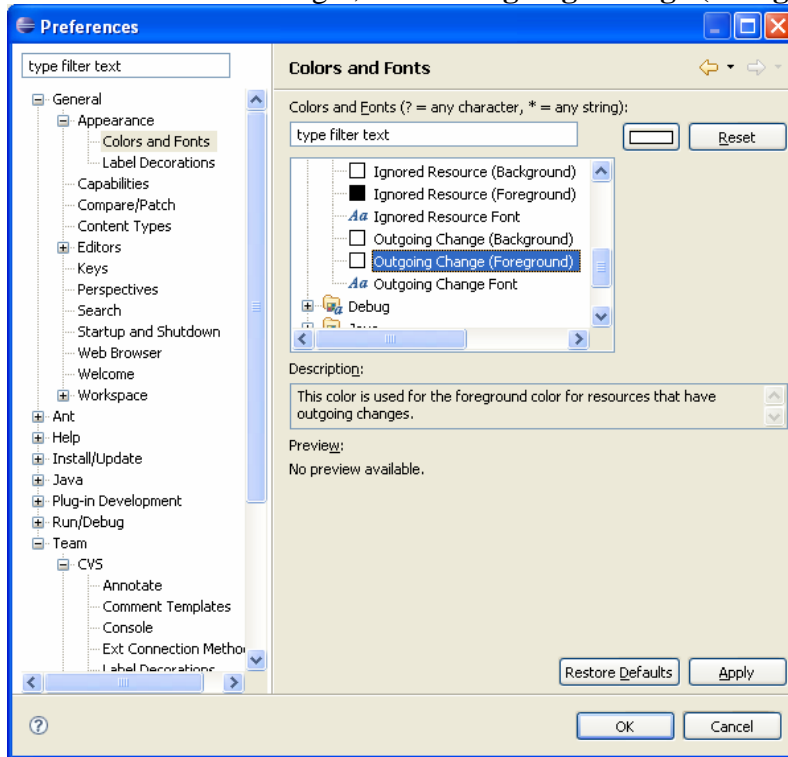

3. Click on **Team** on the left hand side
4. Click on **CVS**

5. Click on **Label Decoration** and check on **Enable font and color decorations**

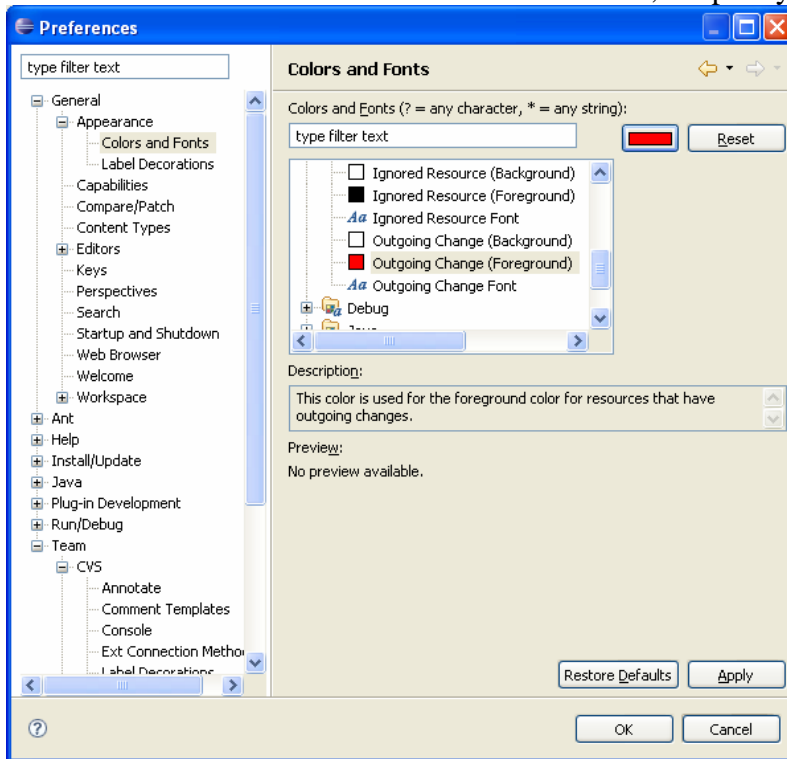

6. Click on **Colors and Fonts**

7. On the list box on the right, select **Outgoing Change (Foreground)**

- Click on the color selector beside the Reset button, to specify the foreground color

- Click on **Apply** then **OK** button

- Done!
